Taken by the Fighter

Sky Williams has never gone the conventional route. She believed growing up that a woman could do anything a man could do and now she was going to prove it. She had seen those in the MMA on TV and on the Internet and she was ready to open her own MMA gym. She didn't have the training, but she was willing to learn on the fly, which of course brought her the likes of bad boy fighter Brandon Summer. He was the next best thing in the industry. What exactly will she have to do to convince him to sign on the dotted line?

Knocked Up by the Fighter

Kerrigan is a mixed martial arts black belt fighter and just a little full of himself given his new position at the gym and his track record of success. However, when he decides to go visit an old friend out of state, he stumbles upon a major mishap of drama. His old buddy Nicholas, a war veteran, has become an abusive alcoholic jerk and is constantly disrespecting his beautiful black wife Georgina.

He tries to resist Georgina who is becoming desperate to get away from a bad marriage. How much longer can he resist temptation and stay the good friend, all the while feeling a major attraction to a woman who definitely needs a hero to stand up for her? Things go from bad to worse when it's revealed that Georgina wants to have a baby with Nicholas. Kerrigan has stepped into a stranglehold of human relationships and has to break free before it's lights out.

The Warrior's Dark Desire

Othlo is a master of mixed martial arts but still an amateur when it comes to human relationships. When he trains a promising new student, a feisty young black woman named Viola, he is overwhelmed with inappropriate lust. His desire to teach quickly becomes a desire to dominate her sexually. It's a conflict of interest for sure and it would certainly be wise to block those feelings off...

Except that Viola is turned on by strong dominant white men and finds the teacher's spell alluring and erotic. She entices her master to teach her self defense, according to his own unorthodox and brilliant ways. But she may be asking more than she bargained for since Othlo's lust knows no boundaries.

Passion Uncaged

When Anne signed up for MMA classes, she was already nervous. It didn't help that her trainer Tony was the perfect (or not so perfect) combination of intimidating and hot. The kind of man that had a "don't f*ck with me" vibe, but you couldn't keep your eyes from wandering over. Built like a Greek god, but justifiably arrogant, Tony is never thrown off by a woman...until now.
