## **The James Code: 52 Scripture Principles for Putting Your Faith into Action** O. S. Hawkins

The James Code helps believers go from knowing about God to living for God. Bestselling author of The Joshua Code and The Jesus Code, O.S. Hawkins is back with a new book that is all about putting your faith into action. The James Code is practical, personal and action-packed straight from one of the most popular books of the Bible. Once readers have devoted themselves to Scripture memory in The Joshua Code, and have equipped themselves to give answers in The Jesus Code, The James Code challenges readers to give feet to their faith. Hawkins gives applicable truth from the book of James emphasizing that an effective Christian life is not about faith and works, but is about faith that works. As with The Joshua Code and The Jesus Code, all royalties will go to Mission: Dignity, whose mission supports retired pastors and their wives or widows who have faithfully served God's people and now find themselves struggling to meet even basic needs."
