**The Way With You** Anne Mercier

Finding a "happily ever after" was hard enough.

Keeping it is even harder.

Olivia Brennan and Cameron Stone have both gone through Hell and back to finally find their way to each other. With obstacles set against them, the struggle to stay connected is harder than ever. Between their academic schedules, Olivia's newfound campus infamy, and a conniving ex stirring up trouble, Liv and Cam begin to struggle to keep what they've worked so hard for

But when something unexpected fractures their trust, they must decide if they can repair what's left of their fragile love or will they discover that "happily ever after" is just for fairytales?

NOTE: It's recommended to read Book 1, The Way Back To Me, before reading The Way With You.
