## **Dark New World, Book 1: An EMP Survival Story** JJ Holden, Henry Gene Foster

Society crumbles after an EMP attack, and the terrifying nightmare has only just begun....

Three people from different walks of life each experience the end of America. Cassy is a 33-year-old prepper and single mother, away on business. Ethan is a hacker and conspiracy nut living underground. Frank is a family man out camping with friends and family. When a devastating EMP attack in the middle of the night destroys America's infrastructure, they are propelled on an unforgettable journey across an ocean of chaos to reach safety...Safety from an unknown invader and from once-fellow Americans now hungry and desperate. *Dark New World* is a prepper story of survival and the fight to retain humanity in the face of an apocalyptic event.
