Soar with the dragons of Australia in *How to Love Your Dragon* from awarding winning erotic paranormal romance author Lexxie Couper. Book 2 of the Fire Mates series takes you back to a world where dragons, humans, and the supernatural don't always co-exist in harmony.

Yorick "Rick" Hayes takes only two things seriously-his work as a veterinarian and the seduction of lovely ladies. He's unprepared for the lovely lady police officer who pulls him over for speeding, however. Inexplicable, overwhelming lust threatens to make him do something stupid-like try to seduce her on the side of the road. Throw in sudden flashes of past life memories, and Rick is confused, monumentally horny, and borderline obsessed with his sexy, no-nonsense cop.

For nearly half a century, Officer Kenna Mackay has denied her dragon side. Her twin sister was betrayed by her mate, and Kenna refuses to risk the same fate-until she makes eye contact with Rick. Her dragon awakens with a vengeance, the mating fire claiming both woman and beast. Hard. Hot. Unstoppable. And exquisitely arousing. The dragon wants her Fire Mate-now.

But history could repeat itself when that mate turns out to be a Druid; one who may have done something bad to dragon-kind in his past life. Something very, very bad indeed.

This erotic paranormal suspense contains dragons, shapeshifters, werewolves, and adult themes. *How to Love Your Dragon* is not intended for readers under the age of 18.
