Hot Omega

Alphas and Omegas didn't really get along well. You could tell why just from seeing them. Omegas were the weak and skinny ones while the Alphas were the bulky and huge ones, looking like a mountain. All the attention went to the Alphas naturally.

Ricky is an Omega, a sick one if you thought it couldn't get any worse. Follow his struggles through the life of an Omega and how he accidentally stumbled upon an Alpha.

Hot Guy's Dorm

Meet Jeremy, a shy college student that is soon to lose his roommate and best friend. Although his best friend is leaving, he left a "parting gift" in the form of a new roommate who is none other than Ari Goodwin, the popular hot guy of the campus. Although Jeremy appreciates the eye candy, he doesn't appreciate having an egoist as a roommate. Ari is completely straight, no one would even think of him being gay...or is he?

Gay Wolf Doctor

Meet Felix, a doctor working in a hospital for Werewolves. Working double shifts and around the clock left him little time for a social life. In fact, his life was restricted to the walls of the hospital. But he didn't mind it much, as long as he was helping someone, he could endure anything.

His life revolved around treating one patient after the other until he met him, a werewolf who would bring some excitement and change into his lifestyle.
