Book 1

Kiarra Melini overhears the dangerous secrets of her blood and decides that if Feiru elemental magic is to survive, she needs to die. However, before she can finish the deed, a strange yet determined man shows up in her cell, throws her over his shoulder, and carries her right out of the prison for elemental magic users.

Jaxton Ward is ordered by his superiors to train the stubborn elemental fire user he rescued. There's only one problem--she claims her magic is gone and he has no idea how to train a woman who spent the last fifteen years inside a prison cell. He's determined to keep his relationship professional, but as the danger amps up and they're forced to go on the run, he starts to fall for the newly confident woman who ignites his temper like no other.

Kiarra's final secret is the key to them staying alive, but can they outrun the prison enforcers long enough for her to embrace her unique magical talents and finally learn to love again?
