Evil Plans: Having Fun on the Road to World Domination Hugh MacLeod

The acclaimed author of *Ignore Everybody* is back with more irreverent wisdom, wit, and original cartoons.

"It has never been easier to make a great living doing what you love. But to make it happen, first you need an EVIL PLAN. Everybody needs to get away from lousy bosses, from boring, dead-end jobs that they hate, and ACTUALLY start doing something they love, something that matters. Life is short." -Hugh MacLeod

Freud once said that in order to be truly happy people need two things: the capacity to work and the capacity to love. *Evil Plans* is about being able to do both at the same time. The sometimes unfortunate side effect is that others will hate you for it. MacLeod's insights are brash, wise, and often funny.
