Are you: Suffering from bad breath? Suffering from sore throat? Suffering from ear pain? Suffering from stuffy nose? Suffering from mucus in throat? If your answer for any of the above questions is 'YES,' then there are chances that you have either come down with a problem called 'Tonsilloliths' or you may be developing this disease. If you are fighting to get rid of any from the above problems, but are not getting any success, then there are chances of a wrong diagnosis. All of the above problems, though they seem minor, if they continue for a longer period of time, you may end up with something that results into you having an irritating and foul smelling disease called 'tonsil stones.' This is a perfect Book to stop or get rid of this problem. It will help you to find a solution at the early stage of the problem by understanding the symptoms clearly.
