**La Llamada de Cthulhu (Spanish Edition)** Howard Phillips Lovecraft

Se describe -precisamente en el relato de La llamada de Cthulhu- como una enorme criatura comparable a una montaña desplazándose (mide unos 10 kilómetros de altura), con cabeza de pulpo o calamar, y abotargado cuerpo de dragón, con sus respectivas alas rudimentarias. Tiene la capacidad de alterar su forma, aunque siempre es básicamente la misma. Su cuerpo escamoso está compuesto por una sustancia distinta a las que se encuentran en nuestro planeta, una especie de masa gelatinosa que lo hace prácticamente indestructible.
