This book is ideal for personal or family study! Study your Book of Mormon and record one lesson you learn in every chapter! That is 239 lessons you will end up recording! In this full-color book there is a square for every chapter. Record a favorite phrase, write a powerful lesson that stood out to you, make a Mormon Ad... there is no right or wrong way! Also included are the following: 1- A reading chart you can fill in as you finish each chapter 2- Page titles for every page in the Book of Mormon! Write these titles at the top of each page in your scripture and then at a glance you know what is happening on that page! For example, on page 138 you would write "King Benjamin's sermon: serve others". 3- Tips for the Isaiah chapters in 2 Nephi to help you understand these powerful teachings. 4- Illustrations of Jacob 5 (The Allegory of the Olive Tree), Omni 1 (the explanation of the different groups of people), and Mosiah 7-8 (when the timeline can start to get confusing).
