Past Lives, Future Healing: A Psychic Reveals the Secrets to Good Health and Great Relationships

Sylvia Browne, Lindsay Harrison

The one expert millions of readers have learned to trust, one of the few psychics instantly recognizable to television viewers, Sylvia Browne is back. She has proven herself, in her fifty years of working as a medium, to be the reigning queen of psychic phenomena. Here is an insightful look at how much of one's present life is informed by one's past lives, and how many health and relationship problems have their roots in unresolved past lives. From unexplained illnesses to bizarre phobias, from irrational anxieties and fears to the choice of partners, each can be traced back to past lives. Even birthmarks and recurring dreams are signs of issues from past lives. Sylvia helps readers recognize where their deep-rooted problems, fears, and hang-ups all began, and how to ultimately resolve them.
