**Now a major motion picture.**

Adventure? Yes, more than one! Derring-do? Yes! Storms? Sea monsters? Rival pirates? Of course! Cameos by frequently anachronistic historical figures? You betcha! All that and more.

Not since *Moby-Dick*.... No, not since *Treasure Island*.... Actually, not since *Jonah and the Whale* has there been a group of seafarers to rival The Pirates! and their leader, the greatest ocean-faring hero of all time, the immortal Pirate Captain, who, although he lives for months at a time on the bounding main, somehow manages to keep his beard silky and in good condition.
