She formed the Underground Railroad but she said she could have freed more if they knew they were slaves. A slave is a person that does every thing for the benefit of someone else and nothing for their own benefit and loves someone else more than they love them selves. This is self evident in their actions. This is self evident in their thought, this is self evident in their speech. To be free you must first free your mind and your body will follow. This book is a tribute to true freedom
