Penelope's Web

Christopher Rush

Penelope's Web Christopher Rush

Odysseus returns to Ithaca after nearly twenty years, half of it spent as a soldier and the other half as a soldier of fortune. During his absence his wife Penelope remains faithful, despite Odysseus being missing and presumed dead, but when her husband suddenly reappears he confronts those who have been trying to seduce his wife and kills them all. This is a novel about war and peace, about how returning soldiers can find peace more horrible than war, and home more hellish than the battlefield.
