When **my stepbrother, Adam**, disappeared to Asia and then didn't get in touch for seven years, to be honest, I was at first relieved.

As a teenager, Adam was a bit of a bully, teasing me - his little stepsister - and being a jerk. **He was such a rebel too.** Bringing back all those busty blondes to the house, and **doing things to them in his bedroom, while I lay in my bedroom next door, listening jealously to the sounds they made...**

But now, seven years on, and I'm **suddenly face to face with him again.** In fact, he's my new boss, and he's **more commanding than ever.** Now a **billionaire**, my stepbrother thinks he can get whatever he likes, whenever he likes it. And it seems that, finally, **he likes me...**

*Stuck On My Stepbrother* is a standalone novel, containing sexual scenes of a graphic nature. For adult readers only.
