The Irish Inheritance: A Jayne Sinclair Genealogical Mystery M J Lee

June 8, 1921. Ireland. A British Officer is shot dead on a remote hillside south of Dublin. November 22, 2015. United Kingdom. Former police detective, Jayne Sinclair, now working as a genealogical investigator, receives a phone call from an adopted American billionaire asking her to discover the identity of his real father. How are the two events linked? Jayne Sinclair has only three clues to help her: a photocopied birth certificate, a stolen book and an old photograph. And it soon becomes apparent somebody else is on the trail of the mystery. A killer who will stop at nothing to prevent Jayne discovering the secret hidden in the past. The Irish Inheritance takes us through the Easter Rising of 1916 and the Irish War of Independence, combining a search for the truth of the past with all the tension of a modern-day thriller. It is the first in a series of novels featuring Jayne Sinclair, genealogical detective.
