After digesting the material presented by Carey and Perry, readers will have a new understanding of basic homeopathic principles, as well as being able to tie various homeopathic remedies to the sun signs. Once this is understood, it is reasonable that the position of the Moon and ascendant in the natal chart and even the position of Saturn may well be indicators of homeopathic remedies that are needed by the physical body. For example, when an Aries is too quick to anger, perhaps a regular dose of kali phosphate may even out the temper. Or when Virgo is beginning to feel digestive problems, kali sulphate may help balance out the minerals in the body. Nothing beats going to the doctor when needing a diagnosis; however, knowing the basics of homeopathy can also be likened to keeping a first aid kit in the house. In Part I, Dr. Carey relates the parts of the body to the biochemical cell-salts (homeopathic remedies) that were espoused by Dr. Schuessler. Part II, by Inez Perry, enlarges upon the symbolism of the sun types and the basics about the homeopathic remedies. She discusses the twelve sign types in relation to Biblical symbolism, and also combines information from the Kabbalah, masonic texts, eastern and western philosophy, to trace the spiritual symbolism of the signs. She then shows how the twelve basic biochemical remedies work with the sign types. According to Carey and Perry, astrology deals with the body (anatomy) of the Grand Man (the universe), and by analogy, with the human body as it relates to astrological symbolism. The authors bring back to contemporary astrology students the ancient symbolism that was once common knowledge to astrologers.
