Write your web copy quickly, confidently, and effectively! If you're trying to figure out how to get impressive results from your website copywriting, everything you need to know is right here in this book. Today, anyone with a domain name and a design can start a website. But to make your site an effective business tool, you need to create a specific impression and have a message that resonates in order to convert them into loyal followers and customers. This is especially true if you're a "solopreneur" – an individual with a unique skill or message to share and who wants to make the world a better place. So whether you're a coach or a consultant, an author or a speaker, a math tutor or a magician, this book will teach you the vital copywriting skills required for online business success.
