Autonomedia's Jubilee Saints Calendar for 2016! Our 24th annual wall calendar, with artwork by James Koehnline, and text by Jim Fleming and the Autonomedia Collective. Hundreds of radical cultural and political heroes are celebrated here, along with the animating ideas that continue to guide this project a reprieve from the 500-year-long sentence to life-at-hard-labor that the European colonization of the "New World" and the ensuing devastations of the rest of the world has represented. It is increasingly clear at the dawn of this new millennium that the Planetary Work Machine will not rule forever! Celebrate with this calendar on which every day is a holiday!
