Evidence-based practice has emerged as one of the most important health care movements of the 21st century. But the challenge for many nurses is converting the theory of evidence-based practice into action and incorporating it into a daily routine. In *Implementing Evidence-Based Practice for Nurses: Real-Life Success Stories*, real clinicians, just like you, share their experiences with paradigm shifts to EBP, implementation of the EBP process to change practice and improve patient outcomes, personal experiences with evidence-based care, and transforming systems to an EBP culture.
