It's hard to read between the lines in the flash of paparazzi cameras. Summer reading and book sales should keep librarian Phee Jefferson busy. Instead, she's facing distractions and disaster after discovering the dead body of artist Elody Campbell. The colorful characters of Miller's Cove are on display as reporters chasing the story flood the small town. Phee and her sister, Juliet, brush up on their detecting skills and a portrait of the suspect emerges. As temperatures rise, will Phee be able to throw the book at the killer?
