## The Beauty Box Bonnie Dunlop

The stories in *The Beauty Box* are traditional in the way they offer familiar settings, events, and characters, or the way Dunlop's quiet voice directs our attention; however, they evolve beyond tradition in the controlled, purposeful way that Dunlop's details are measured. Her appreciation for minutiae whether it be the meticulous attention to dress expressed by a gay bachelor, or the ritual motions of snakes in a well house create indelible moments, and lead the reader into Dunlop's character's fortunes.
