**The Case of the Fallen Hero: An Inspector David Graham Cozy Mystery (Inspector David Graham Cozy Mysteries) (Volume 3)** Alison Golden, Grace Dagnall

## **A historic castle. A beautiful wedding.**

A dead groom. Former big city cop, Inspector David Graham, is now leading a small group of officers in the tiny coastal village of Gorey. One Sunday morning, as he walks around the imposing Orgueil castle, Graham's peaceful life comes to a shuddering halt when he finds a woman kneeling beside the body of a stricken man. As the woman's screams ring out, Graham is there to assist – and to start gathering clues. Was it suicide? An accident? Or something far more nefarious?

Questions lead to trails that send the team digging through the history of not only the affected families, but the castle itself where a quartet of talented musicians have seemingly vanished. Monolithic in size and secrets, Orgueil Castle may reveal answers in the strangest.... and deepest ways possible.

With one dead, four missing, and many long-buried family secrets, Inspector David Graham wonders if there is enough tea to see him through it all.

## **Interview with the Creator of the series**

**Q – So, what makes the Inspector David Graham series special?**

A – When I set out to write these books, I wanted to create something that played like a movie in the reader's mind. They are books with action, but also soul. They are ensemble pieces containing regular characters that are well drawn with strong personalities, humor and some tragedy. The Inspector David Graham books feel, to me, like good friends that never let me down. Every time we sit down to plan the books, I love to find out what the characters are going to get up to next!

The Inspector David Graham books are a great mix of genres. They sit firmly in the cozy mystery category and are set on the beautiful island of Jersey in the English Channel between Britain and France. They feature a British detective who is part-Sherlock Holmes, part-Poirot, and, of course, uniquely himself.

**Q – In what order should I read the books?**

The Inspector David Graham cozy mysteries can be read, and enjoyed, in any order. *The Case of the*

*Screaming Beauty* is a prequel to the other books in the series and, unlike the later books, is set on the mainland. All the books are complete mysteries.

I've made sure not to include any spoilers for those who are new to the characters and any existing fans of Graham's adventures will still find plenty of fresh action and mystery as well as perhaps a few answers. All in all, there is something for everyone.

If you do want to read them in order, I'd suggest the following sequence:

International Mystery and Crime
