‘There’d been an ad in the paper — Wanted: subject for photography sessions. May be some nudity. References provided.’

That was fine with Jenna who called on the ad for one reason - to prove she was not as boring and unexciting as her ex-boyfriend thought she was. She vaguely recognized the name on the ad, and for good reason. Payne Thomas is a minor celebrity in Denver, a photographer whose work has been exhibited throughout the city.

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
