Start Date: A Forced Bi Cuckold Story of Bisexual Male Domination at the Office Brett Olsen

When Brett's hot wife Jessica shows up unannounced for an "informal" job interview with Brett's boss Hank, the hapless cuckold knows something must be up. It just so happens to be the one day of the year when most of the other employees are out at a conference... leaving Hank and Jessica free to do more than just "interview."

Brett is quite used to Jessica cheating on him... in fact, he's the one who begged her to start doing it. But with his boss? The humiliation is palpable as Hank and Jessica start fooling around in Hank's office... and they don't even bother to close the door.

Humiliated as he is, Brett can't resist sneaking up to the doorway to watch his wife going to town on his boss. And that's when Brett's boss calls him in to help his hot with "fluffing" duties... and Brett finds himself working a new job entirely... "supervised closely" by both of them!

As Brett orally prepares his boss to fuck his wife on that big oak desk, the submissive cuckold realizes things are about to change in the office, with Jessica hired as her husband's supervisor -- and Hank ready to give the cuckold some "on-the-job training!"

Start Date is an explicit 3,800-word erotic story intended only for an adult audience. It includes domination and bisexual male submission, cuckolding, erotic humiliation, sexual denial, infidelity, semi-public sex, three-way sex, and other forms of sexual variation.
