Society's widening gap between technological achievement and moral decay compels men of courage, integrity, and true manhood to stand strong.

In a quest for satisfaction, many men have lost the meaning of manhood, surrendering ideals to things immoral, illegal, unethical, or irresponsible. Today's tough times require men to overcome dangerous philosophies and bring hope, dignity, and order back to a world in desperate need—men who are willing to be heroes.

*"Once again, Ed Cole has delivered a stirring message for men. Strong Men in Tough Times is filled with illustrations and the practical advice that men need for victorious living."*
