## **It was supposed to just be a week of wickedness; she didn't expect this!**

Coming down to Hedonism II this winter was a brilliant idea for Jess Adams. She's forged some great friendships in the drenching, sultry and oh god, so fulfilling encounters she's had!

The last thing she expected was to go on the sort of road trip with Steve he invites her on. He shows her a side of Jamaica not many tourists get to experience. An experience that opens a whole new world of possibilities.

For both of them.

What began as a 'no strings attached', vacation arrangement has grown to something deeper. Something more potent than the no holds barred pleasures she came seeking. Steve reveals his secret; but Jess is afraid to tell him the truth about herself.

What happens after the vacation ends? Steve lives in Colorado with his two grown kids, and Jess lives in Black Rapids Ohio. This is getting more complicated than she ever planned for.

It would sure be easier for her to cut her losses if Steve wasn't so damn yummy... and so damn good at making her ache in that wonderfully wicked way in all her right places.

Jess has to figure a lot of stuff out. She comes up with an idea, but it could backfire on her.

***The bawdy and heartwarming conclusion of Cuddly Swingers!***
