God's rules do more than restrict--they give freedom. They are words of prevention and protection. They define identity--ours and God's. Each of the studies in this guide by Rob Suggs looks at one of God's commandments and a Bible passage that will help you better understand how to apply God's law. As you study these laws, you will encounter God himself. This revised LifeGuide Bible Study features additional questions for starting group discussions and for meeting God in personal reflection, together with expanded leader's notes and a "Now or Later" section in each study.
