A Nice Place to Visit: Tourism and Urban Revitalization in the Postwar Rustbelt (Urban Life, Landscape and Policy) Aaron Cowan

How did tourism gain a central role in the postwar American Rustbelt city? And how did tourism development reshape the meaning and function of these cities? These are the questions at the heart of Aaron Cowan's groundbreaking book, *A Nice Place to Visit*.

Cowan provides an insightful, comparative look at the historical development of Cincinnati, St. Louis, Pittsburgh, and Baltimore in the post-World War II period to show how urban tourism provided a potential solution to the economic woes of deindustrialization. *A Nice Place to Visit* chronicles the visions of urban leaders who planned hotels, convention centers, stadiums, and festival marketplaces to remake these cities as tourist destinations. Cowan also addresses the ever-present tensions between tourist development and the needs and demands of residents in urban communities.

A Nice Place to Visit charts how these Rustbelt cities adapted to urban decline and struggled to meet the challenge of becoming an appealing place to visit, as well as good and just communities in which to live.

The inside or content is fantastic as the outside or cover. Your reading sixth sense will directly assist you to pick up this book.

Jennifer Johnson:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this A Nice Place to Visit: Tourism and Urban Revitalization in the Postwar Rustbelt (Urban Life, Landscape and Policy) can make you truly feel more interested to read.

Siobhan Wilcox:
