This is where the learning begins! Early Writing Practice teaches children the nine developmental strokes necessary for writing. As they trace straight, slanted, curved, and circular lines through fun activities, children will learn to write letters while also improving their hand-eye coordination, increasing pencil control, and learning to express creativity! --The six titles in the Basic Beginnings series are an essential and fun resource designed to nurture engaged learning for every child. Each book features 64 pages of colorful activities, mazes, and pictures, as well as three mini books to color, cut out, and share!
