When a dead body swan-dives from a balcony into the pool at a wedding, gossip comes to a halt about disgraced paralegal and former rodeo queen Emily—whose husband left her for a woman who turns out to be a man. Enter Jack, a secretive attorney and sexy mix of cowboy and Indian. She refuses to work for him, until she learns about the disappearance of the six-year old daughter of his notorious client Sofia, the wedding shooter, who is also an illegal immigrant. Emily feels a strange affinity with the girl and launches a desperate search for her. Bodies pile up in her wake across Texas and New Mexico as the walls around her own secrets begin to crumble, and the authorities question whether the child is anything but a figment of her imagination.
