Goddess Stories: Volume 1 Anna Marie Laforest

Mythology meets magical realism in these fresh stories of goddesses discovering their sacred callings. Persephone dons a black leather jacket over her flowery dress and sets out to find what is “real.” Inuit Sedna’s fingers turn into fishes and seals when her father chops at her knuckles in fear. Glispa leaves her Navaho grandmothers in order to take a shamanic journey. Aztec Xochiquetzal, queen of the flowers, reappears as our Lady of Guadalupe. The Egyptian goddess Nut who holds up the sky is befriended by scarabs who alter the course of the Nile. Iris has a crush on Morpheus, lazy god of dreams, but comes to her senses and moves to the American Southwest. A young girl is taught by animals to carry fire in skulls, discovers her parentage, and becomes the Baba-Yaga. Pele learns to control her fiery temper (and the volcano), but not before losing the love of her life. And five more stories.

From reader reviews:

Louise Rosenbaum:

The experience that you get from Goddess Stories: Volume 1 is a more deep you searching the information that hide within the words the more you get serious about reading it. It doesn't mean that this book is hard to recognise but Goddess Stories: Volume 1 giving you excitement feeling of reading. The copy writer conveys their point in particular way that can be understood by simply anyone who read this because the author of this book is well-known enough. That book also makes your own personal vocabulary increase well. It is therefore easy to understand then can go with you, both in printed or e-book style are available. We recommend you for having this Goddess Stories: Volume 1 instantly.

Kristy Taylor:

Many people spending their period by playing outside having friends, fun activity with family or just watching TV all day every day. You can have new activity to pay your whole day by studying a book. Ugh, you think reading a book can actually hard because you have to bring the book everywhere? It okay you can have the e-book, getting everywhere you want in your Smart phone. Like Goddess Stories: Volume 1 which is keeping the e-book version. So , why not try out this book? Let's find.

Gerald Chisholm:

In this era which is the greater man or who has ability to do something more are more precious than other. Do you want to become considered one of it? It is just simple strategy to have that. What you should do is just spending your time almost no but quite enough to enjoy a look at some books. One of several books in the top record in your reading list will be Goddess Stories: Volume 1. This book which is qualified as The Hungry Mountains can get you closer in turning into precious person. By looking upward and review this publication you can get many advantages.

Marissa Wegener:

What is your hobby? Have you heard that question when you got pupils? We believe that that issue was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person such as reading or as studying become their hobby. You have to know that reading is very important in addition to book as to be the issue. Book is important thing to provide you knowledge, except your teacher or lecturer. You get good news or update about something by book. Many kinds of books that can you choose to use be your object. One of them are these claims Goddess Stories: Volume 1.
