Oswald's Tale: An American Mystery By Norman Mailer (First Trade Edition) 1995 Hardcover

Oswald's Tale: An American Mystery By Norman Mailer (First Trade Edition) 1995 Hardcover

In this book, Norman Mailer asks the essential question about the assassination of JFK: not "Who killed Kennedy?" but "Who was Oswald?" for only by answering the latter question can we hope to answer the first. In 1959, Lee Harvey Oswald defected to the Soviet Union, and was sent to Minsk, where he lived for two and a half years and remained under constant KGB surveillance, on suspicion of being a CIA agent. In 1993, Norman Mailer spent six months in Russia, where he interviewed Oswald's former friends and sweethearts and obtained exclusive interviews with the KGB officers assigned to monitor Oswald's every move. He was also given exclusive access to the KGB files on Oswald, including transcripts of conversations overheard in the apartment that Lee shared with his Russian wife, Marina. In *Oswald's Tale: An American Mystery*, Mailer reconstructs the life of this ambitious if doomladen young man, giving a full account for the first time not only of the Minsk years, a hitherto unchartered period in Oswald's life, but also of Oswald's disastrous childhood, his years in the Marine Corps, and the events leading from his return to the U.S. in 1961 to his death in Dallas in 1963. The portrait of Oswald that emerges will greatly surprise readers who have thought of Oswald as a hapless loner; socially awkward, inarticulate, and unremarkable loser.
