Social Work with Substance Users

Anna Nelson

Social Work with Substance Users Anna Nelson

This engaging and comprehensive book explores social work with problematic substance use. Anna Nelson offers social workers new insight on the subject, helping students to understand the issue as it affects service users across a range of social work practice settings. Written from both an anti-discriminatory and evidence-based perspective the text highlights successful responses to the issues surrounding problematic substance use, so that students and social workers can achieve best practice. Considering the effects of problematic substance use across a wide range of service-user groups, the book takes a reflective approach to this widely misunderstood area. Each chapter includes reflective exercises and examples of further reading challenging students to critically reflect on their practice, and increase their awareness in the area.
