Stairscaping: A Guide to Buying, Remodeling, and Decorating Interior and Exterior Staircases (Quarry Book) Andrew Karre

Staircases are an unavoidable design choice for any multilevel home. Because a staircase can set the entire tone for your house, it is imperative to find the style that suits you to a tee. Stairscaping, at once an idea book and a how-to-guide, brings you up close and personal with this indispensable piece of architecture, and shows you how to enhance your existing staircase to fit your style.

This primer covers the worldwide evolution of residential staircases, including both classical and contemporary interior and exterior staircases, thorough well-researched, accessible text and detailed, designer photography. A full resource section provides information for staircase restoration, resource tools, and other helpful industry contacts.
