The Book of Truth, volume 1: Prepare for the Second Coming Maria Divine Mercy

This generation will witness the Second Coming of Christ. That's according to the author of this extraordinary book which, she says, contains divine messages dictated to her by Jesus Christ on a daily basis since 9 November 2010 and which are on-going. The messages are simple, dispel the myths about the creation of the universe, reinforce the teachings of Christ and predict future events in detail.

The woman, who lives in Europe and wishes to remain anonymous, is known by the name Maria Divine Mercy. Although a Roman Catholic she had little knowledge of the Bible beforehand, yet, the messages are littered with numerous Biblical references, codes and secrets. She receives one message a day and claims that Jesus is revealing to the world the secrets of the Seven

Seals contained in the Book of Revelation so that he can save the world by revealing to everyone the truth of his teachings.

Jesus, she says, told her to call the book The Book of Truth and explained that this was foretold in the Book of Daniel 10.21 This is when the Angel Gabriel revealed to the prophet Daniel that everything which was revealed to him about the future and the end times is to be found in the Book of Truth. Daniel is told to seal it up as it is to be left to another time called "The Time of the End."
