The Winter's Tale (Classic Illustrated Edition) William Shakespeare

* Beautifully illustrated with atmospheric paintings by renowned artists, The Winter's Tale is a comedy that's generally considered to be one of Shakespeare's "problem plays", because the first three acts are filled with intense psychological drama, while the last two acts are comedic and supply a happy ending.

* Just as accessible and enjoyable for today's readers as it would have been when first published, the play is one of the great works of English literature and continues to be widely read throughout the world.

* This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images of classic works of art carefully selected by our team of professional editors.
