Belonging to Borders: A Sojourn in the Celtic Tradition

Bonnie Thurston

Belonging to Borders: A Sojourn in the Celtic Tradition Bonnie Thurston

Early Christian Worship is a straightforward, readable introduction to worship in the first four centuries of the church's existence. How did early Christians see and understand their own worship? How did this interact with early Christian beliefs? The book has been brought up-to-date and revised, with some chapters rewritten and an updated bibliography.

Paul F. Bradshaw is professor of liturgy at the University of Notre Dame, and priest-vicar of Westminster Abbey and a member of the Church of England Liturgical Commission. He is the author or editor of several major books (The Search for the Origins of Christian Worship, Eucharistic Origins, Reconstructing Early Christian Worship, The Study of Liturgy, A Companion to Common Worship, volumes 1 and 2).
