Roadmap to 6th Grade Math, Ohio Edition (State Test Preparation Guides) James Flynn

The Roadmap series works as a year-long companion to earning higher grades, as well as passing the high-stakes **6th Grade Math Ohio Proficiency Test** that is necessary for grade level promotion. This book has been designed according to the specific standards set forth by the state of Ohio. Now parents can work with their kids to both improve their grades and pass these important tests.

The experts at The Princeton Review have analyzed the OPT, and this book provides the most up-to-date, thoroughly researched practice possible. TPR breaks the test down into individual skills and provides lessons modeled after the OPT to familiarize students with the test's structure, while increasing their overall skill level.

The Princeton Review knows what it takes to succeed in the classroom and on tests. This book includes strategies that are proven to raise student performance. TPR provides:

- Content review, detailed lessons, and practice exercises modeled after the actual exam
- Test-taking skills and math essentials such as reading charts and graphs, using fractions and decimals, and understanding basic geometry
- 2 complete practice OPTs
