“The NSA is lurking in the background of your game of Angry Birds, waiting to scoop up all your personal data as you lob hapless creatures into the air. This is the last bastion of American freedom has been breached. I mean, there seems to be something particularly egregious about going after leaky apps.” (Victoria Jones of Talk News Radio Service)

The NSA domestic surveillance programs became a subject of intense debate in mid-2013 when former government contractor Edward Snowden allegedly released information to global media outlets regarding activities by the U.S. government. This book exposes a number of mass-surveillance programs undertaken by the NSA and GCHQ and far-reaching consequences of the government’s mass surveillance programs.
