The Cinderella Project (2 Book Series) Ally Blake

From Book 1: Plucky Juliana Jones loves to run. Since escaping her home town she's spent her life perfecting the art. One day (after finding herself out of work, sleeping on a friend's futon, and emphatically single) she makes her greatest escape from reality so far; a holiday cruise in the middle of the Pacific.

Kane Phillips - the gorgeous former star athlete turned ship's Fitness Director – sees JJ coming from a mile away. He knows a thing or two about running, so decides to help her. Truth is he can't help himself.

Add a ship full of septuagenarian cupids with too much time on their hands who believe that what JJ needs more than an escape is romance and JJ finds herself outnumbered. Only as her feelings for Kane become all too real, for the first time in her life she has nowhere to hide, no place to run.

And even if JJ could run is Kane just the man to keep up with her?
