Unleashing the Word: Preaching with Relevance, Purpose, and Passion Adam Hamilton

Imagine announcing a new series of sermons and seeing worship attendance increase by 1,000 people on the first Sunday of the new series. Or consider a pastor developing sermon plans two to three years out. What kind of pastor sits in a bar with a notepad just looking for ideas for sermons? Or has as his aim to preach the best prepared, best researched sermons his congregation has ever heard? All of these and more explain part of the reason the United Methodist Church of the Resurrection has grown from four people to over 10,000 in just thirteen years.

In *Unleashing the Word*, Adam Hamilton helps pastors and church leaders consider the purpose, planning, and execution of excellent preaching. He offers detailed descriptions of the sermon planning, writing and preaching process behind one of the fastest growing churches in the United States. He includes numerous personal anecdotes and enough sermon ideas to keep the average pastor busy for years! Finally, after you have read how sermons are planned and prepared at the Church of the Resurrection you can watch the included DVD which features four full-length sermons and other resources to help you apply what you've read in the book. If you only buy one book on preaching this year, this is the book you must buy!
