British Television Drama: Past, Present and Future

British Television Drama: Past, Present and Future

British Television Drama is a collection of essays by leading media professionals and academics, which debates the past, present and future of British television drama. Writers, producers and television executives reflect on the changing face of TV drama, and academics present case studies on critical approaches, general topics and specific programs. Contextualized by editors' introductions to each section, this often provocative collection will inspire debate and reappraisal of this formative aspect of television.
