**Saved or searching, we all need to be reminded of God's interest in us individually and His love for us personally.** That's where your story comes in...

Stories of how God reaches into our lives today with love, grace, strength, healing, and hope remind us that He is alive and powerful-and that He still wants all people to know Him.

- But maybe you've been a Christian since childhood and you think your faith story isn't all that exciting.
- Or maybe you feel like your story is too personal to share.
- Or perhaps you just don't know exactly what to say or where to begin.

That's where *GET PERSONAL: The Importance of Sharing Your Faith Story* comes in. This little book offers guidance on how to put what matters most into words that encourage others and glorify God. You have a story to share that could help someone better understand who Jesus is and how knowing Him makes a difference. Are you willing to share it?

In *GET PERSONAL*, you'll learn:

- Why we must share our faith stories.
- What your personal faith stories are.
- How to share your stories more effectively... and without sounding preachy, religious or just plain weird.
- That you can be respectful of someone else's worldview without wavering on your own.
