What is sin? What is karma? What is the difference between religion and spirituality? How do the stories, myths, and legends of the past affect us and our present belief systems? What is science discovering about these stories? *Religion vs. Spirituality* addresses these questions and helps you to think about how thousands of years of stories and beliefs can affect us today. It will make you examine your own belief systems to see if they are eating you or feeding you. It will help you understand there are some things that just can't be proven but they are real and they happen every day. *Religion vs. Spirituality* explores our basic belief systems in a simple, down-to-earth way that everyone can understand because the author believes whether you are religious or spiritual, your belief system should never be too complicated.
