A professional looking finish is the dream of most woodworkers. One way to achieve it is through modern spray finishing. Recent improvements in the equipment and widespread adoption have lowered costs making this technique widely available. But there is little information apart from magazine articles and our 1996 book. This book collects the best recent articles from "Fine Woodworking" on spray finishing and other modern finishing techniques.

### Table of Contents

- Section I: Choosing a Finish
- Section 2: Surface Preparation
- Section 3: Spray Equipment
