Strictly Women: Book 1: a collection of F/F femdom stories DJ Black

This collection of domestic F/F femdom tales featuring strict women who spank other women, contains the following stories:

1948: Aunt Jane's Rules: If you live in Aunt Jane's house then you live by her rules, and in her house no one is too old for a spanking, as the three younger women living under her roof know only too well. Having recently spanked her own daughter, Jane's niece Mary finds her own bottom in danger after trying to keep Thomasina out of trouble. Aunt Jane is determined to have two red bottoms in the corner for the morning!

Grandmother, the Punk & the Princess: Rachel and Jeri's mum died when they were both young but Rachel fared better being the eldest. Now at nineteen, Jeri is up in court, not for the first time, and Rachel is in no position to help her sister avoid incarceration. Then Geraldine, their grandmother, arrives in court and takes them both to live with her. A strict no-nonsense lady and formerly the head of a girls' school, she is not afraid to spank and cane her granddaughters when she deems it necessary.

Nuns & Novices, a Queen and an Abbess: Eleanor is sent to a convent to wait until she can be betrothed to King Vader. She and the young novice, Beatrix, soon get into trouble and both are punished harshly. In time, Eleanor proves a worthy Queen who knows how to deal with court discipline. When her own daughters behave like badly behaved brats, Eleanor decides they need a firmer hand and takes them to the Abbess to be punished.

The Reluctant Bride and the Wise Dressmaker: Camilla is the bride from hell and her harried dressmaker is close to breaking point. Camilla's mother says that the girl is far too old to be spanked, but the dressmaker disagrees and shows just how a good slippering can alter even the worst of attitudes.

The Fall and Rise of Grace: Life has not been going too smoothly for top television broadcaster, Grace, but she knows a spanking lies in store for her when she spots Samantha in the TV audience. She recalls when Samantha and her sister, Julia, first started to discipline her, and she knows that, no matter how old she is now, both of them will not hesitate to wield the strap if they feel she needs it.

Cade County 1983: Whilst driving through Cade County on her way to a job interview, Kate loses control of the car and skids into a ditch. When sheriff's deputy, Terri Vaughn, arrives at the scene she is met with a foul-mouthed tirade which leads to Kate being arrested. Rather than spend further time in the county jail, Kate agrees to a paddling from Terri instead.
