## **Proceedings / Parcella 1988: Fourth International Workshop on Parallel Processing by Cellular Automata and Arrays, Berlin, GDR, October 17-21, 1988 (Lecture Notes in Computer Science)**

This volume contains selected papers for the Parcella '88, the Fourth International Workshop on "Parallel Processing by Cellular Automata and Arrays" held in Berlin from October 17 to 21, 1988. The profile of the Parcella workshop series is focused on problems of processing by regular structures, i.e. their "flexibilization" or adapting to "irregular" algorithms and, closely related to this, on the "regularization" of algorithms for their embedding into regular structures. It seems that these problems will have an increasing priority within the list of central problems in parallelization and will determine the profile of Parcella for the next years.

Every year has been exactly added. This publication Proceedings / Parcella 1988: Fourth International Workshop on Parallel Processing by Cellular Automata and Arrays, Berlin, GDR, October 17-21, 1988 (Lecture Notes in Computer Science) was filled with regards to science. Spend your spare time to add your knowledge about your research competence. Some people has distinct feel when they reading any book. If you know how big good thing about a book, you can sense enjoy to read a publication. In the modern era like right now, many ways to get book you wanted.
