Sir Edwin Lutyens: Designing in the English Tradition

Elizabeth Wilhide

Sir Edwin Lutyens: Designing in the English Tradition Elizabeth Wilhide

This long-awaited book is the first to focus solely on the brilliant but often neglected interiors and furniture of the great British architect Sir Edwin Landseer Lutyens (1869-1944).

Lutyens's lifelong creative partnership with landscape designer Gertrude Jekyll spurred the revival of the English country garden, and his designs-rooted in the English Arts and Crafts movement but inspired by Classicism-remain popular today for their clean lines, angles, and contrasts. Published with the cooperation of the Lutyens family, and illustrated with specially commissioned and archival photographs of intact or restored interiors and gardens, original furniture designs, and contemporary reinterpretations of the Lutyens style, the book provides fresh insight into a design genius whose masterful synthesis of function and artistry has enduring relevance and appeal.

ELIZABETH WILHIDE was born in the United States and has lived in England since the late 1960s. She is a leading expert on interior design who has written, co-authored, or contributed to dozens of books on the subject, including Abrams' William Morris: Decor & Design.

CANDIA LUTYENS, who has contributed the foreword, is the great-niece of Sir Edwin Lutyens. She lives in England.

116 illustrations, 90 in full color, 9 x 10"
